

BOOK-A-SPOT: LIBRARY FACILITY RESERVATION GUIDELINES

The College Library Services Office shall implement the Book-A-Spot: Library Facility Reservation service to manage the reservation and use of designated library spaces. Reservations shall be subject to space availability and approval of the College Library Services Office.

Guidelines

1. Book-A-Spot shall accommodate single-day and recurring/multi-day reservations.
2. The following library spaces may be reserved:
 - 1st Floor – Reading Area
 - 1st Floor – Periodicals Section
 - 2nd Floor – Net Hub

The 2nd Floor Lecture Area is reserved for instructional use and shall not be available for reservation.

3. Reservation requests shall be submitted through the prescribed Book-A-Spot: Library Reservation Form (FRM-LIB-001) at least one (1) working day before the intended date of use. Short-notice requests may not be accommodated.

4. A reservation shall be considered confirmed only upon receipt of an official approval email from the College Library Services Office through LUNTIAN.

5. The reserved space shall be used only for the purpose stated in the approved request. Any changes in schedule, activity, or use shall be coordinated with the Library.

6. The requester shall be responsible for maintaining cleanliness, properly using library furniture and equipment, and observing library rules during the reservation period.

7. The College Library Services Office reserves the right to modify, reschedule, or cancel reservations due to official activities, emergencies, maintenance, or other valid operational reasons.

8. If the requester fails to occupy the reserved space within thirty (30) minutes of the approved time without prior notice, the reservation may be cancelled.
