INTRODUCTION

History

In 2018, under the administration of then Mayor Oscar S. Moreno, the Cagayan de Oro Technical Vocational Institute (CDO-TVI) was established by virtue of City Ordinance 13473-2018, with Councilor Suzette Magtajas-Daba as the principal author. This Technical-Vocational Institute is proudly owned and operated by the Local Government of Cagayan de Oro, focusing on offering TESDA-accredited programs primarily in the construction and tourism sectors. These qualifications include Carpentry NC II, Plumbing NC I & NC II, Shielded Metal Arc NC I & NC II, Electrical Installation & Maintenance NC II, and Housekeeping NC II. These programs were chosen strategically to cater to Cagayan de Oro's growing metropolization, with a particular emphasis on construction and tourism sectors. CDO-TVI's mission was to provide free center-based and community-based technical skills training, prioritizing out-of-school youth and low-income families. CDO-TVI's physical location is at Barangay Agusan, District 2, Cagayan de Oro City.

In 2021, CDO-TVI responded to the challenges posed by the COVID-19 pandemic by offering Barangay Health Services NC II, equipping and empowering Barangay Health Workers in partnership with the City Health Office.

With a change in leadership in July 2022, former 1st District Congressman Hon. Rolando "Klarex" Uy assumed the role of Mayor of Cagayan de Oro City. One of his top priorities, as articulated in his RISE CDO Governance Platform, was to provide access to quality education, leading to the vision of establishing a City College.

In 2023, City Ordinance 14564-2023 was passed, paving the way for the creation of the City College of Cagayan de Oro. This ordinance expanded the mandate of CDO-TVI, transforming it into a higher education institution offering not only tech-voc programs but also diploma and bachelor's degree programs, to be monitored by the Technical Education and Skills Development Authority (TESDA) and the Commission on Higher Education (CHED). The establishment of the City College was a result of a comprehensive process, including the formation of Technical Working Groups, extensive consultations, and focus group discussions.

The City College of Cagayan de Oro will operate as a multi-campus institution, with campuses in Barangay Agusan (the existing CDO-TVI Campus), Barangay Kauswagan, Barangay Puerto (El Gaucho), and the main campus in Barangay Dansolihon, which was made possible through a generous donation of a 60-hectare land by the Higaonon Indigenous Peoples of Nahilaran. This expansion aims to bring higher education opportunities closer to the youth residing in upland barangays, addressing the geographic gap that previously existed.

In the same year, the newly established City College initiated a partnership with MeldCx, an international Artificial Intelligence company, and piloted a 6-month training program on Practical Artificial Intelligence for sixteen (16) out-of-school youth.

In addition to the existing tech-voc programs, the City College is set to pilot new programs in 2024, including Trainers' Methodology NC II, Emergency Medical Services NC II, Electrical Installation and Maintenance NC III, Bachelor of Arts in Communication, Bachelor of Technology and Livelihood Education, Bachelor of Technical-Vocational Teacher Education, and training programs on Artificial Intelligence and emerging technologies. These programs reflect the institution's commitment to providing a diverse and comprehensive educational experience to meet the needs of its students and the evolving demands of the local and global labor markets.

General Mandate

The City College of Cagayan de Oro City shall provide quality, accessible, relevant, and future-ready education and training that aligns with the evolving needs of the local job market, contribute to the equitable development of Cagayan de Oro City and enhance its global competitiveness, thereby fostering economic growth and social mobility within the region.

Part 5. FACULTY AND ACADEMIC REGULATIONS

5.1 Appointment

In the context of the City College, faculty appointments strictly adhere to non-discriminatory principles. No consideration is given to political beliefs, gender preferences, cultural or community affiliations, ethnic origins, or religious opinions or affiliations during the appointment process. Furthermore, it is stipulated that no faculty member shall promote or advocate for any specific church or religious sect.

All faculty appointments are subject to the guidelines, qualifications, and standards established by the Governing Board, ensuring a fair and merit-based selection process in accordance with Section 45 of RA 10919.

The status of appointment of the faculty may either be permanent or temporary:

5.1.1 PERMANENT POSITION:

A permanent appointment is granted to a faculty member who meets the qualification standards for their faculty rank and successfully completes the probationary period. The duration of this probationary period, ranging from 6 months to 2 years, is determined by the governing board of the City College (LUC), unless otherwise specified by the CSC and LGU of CDO Human Resource Management. This approach ensures that faculty members undergo a rigorous assessment period before receiving a permanent appointment, maintaining high academic standards within the institution.

5.1.2 TEMPORARY POSITION:

A temporary appointment is granted to a faculty member who does not meet the education, experience, or training requirements of the position to which they are being appointed. This appointment's validity is limited to one school year. Faculty members under temporary status do not have job security and may be separated from their roles, with or without specific cause. Consequently, they are not eligible to claim back wages, salaries, or reinstatement to their positions. They may also be replaced within the twelve-month period, either by qualified eligibles or non-eligibles. However, in certain instances, the employment or service of temporary appointees may be terminated without immediate replacement. A written notice of service termination, signed by the appointing authority, must be provided to the temporary appointee 30 days prior to the termination or removal.

5.2 Admission Requirements

A faculty member, whose role encompasses instruction, research, and extension activities, is typically expected to hold a Master's degree and be a licensed professional in their respective field.

5.2.1 Eligibility Standards

However, it is acknowledged that there may be a shortage of Master's degree holders in certain specialized fields. In such cases, mandating a Master's degree as a faculty entry requirement could unnecessarily limit the university's flexibility in faculty recruitment. To address this, and to ensure the ongoing development of intellectual resources for instruction and research, faculty members without graduate degrees may be considered for hiring under the following conditions:

1. When the college identifies a shortage of Master's degree holders in the required field of specialization or related fields.
2. When there are no applicants with Master's degrees in the relevant area of specialization or its related fields.
3. Faculty members hired to teach courses related to professional licensure must hold a valid registration and/or license from the Professional Regulation Commission (PRC) in their field of specialization.
4. Faculty without a Master's degree may receive a temporary appointment for up to one (1) year, in accordance with Section 27(2) of Book V of the Administrative Code of 1987. Renewal of temporary appointments is limited to four (4) times from the date of the initial appointment.
5. This policy on temporary appointments aligns with the City College Faculty Development Plan. Each Bachelor Program is required to submit a 5-year faculty development plan, specifying program specializations and faculty members interested in pursuing further studies.
6. The City College, through the Governing Board, may annually evaluate faculty members without Master's degrees regarding their progress toward obtaining an MA degree. To gain an advantage over new applicants, they may need to provide status/progress reports or documents indicating their commitment to graduate studies.
7. Temporary faculty members without graduate degrees must complete their Master's degrees within five (5) years from the date of their initial temporary appointment.
8. Temporary faculty members unable to complete their graduate degrees within five
   (5) years will not be eligible for reappointment, unless exceptional circumstances,
   such as the absence of a Master's degree program in the discipline offered, warrant an exception as determined by the Academic Council and the Governing Board.

5.3 Hiring and Selection

In the City College of Cagayan de Oro, which operates under the governance of the Local Government Unit of Cagayan de Oro and is subject to oversight by the City College Academic Council and the Governing Board, the faculty recruitment process is carefully structured. Applications are initially submitted to the Human Resource Office. Upon review, qualified applicants who have successfully met all application requirements proceed to the shortlisting phase. Subsequently, candidates undergo a comprehensive evaluation process, which includes a courtesy interview with the HR Director. Following this, they face assessment by an appointed committee, which includes a teaching demonstration and psychological and aptitude exams. As part of the final assessment, the applicant's reference and background checks are conducted. Candidates who receive favorable results from these checks are then ranked, and employment offers are extended accordingly. This meticulous selection process ensures that the City College of CDO maintains a high standard of faculty quality and competence in alignment with the guidance provided by the Academic Council and the Governing Board.

4.1. Sexual Harassment. A form of sexual discrimination that involves unwelcome sexual advances, requests for sexual favors, and other verbal or physical comment of a sexual nature when:

4.1.1. It is explicitly or implicitly suggested that submission to or rejection of the conduct will be a factor in academic or employment decisions or evaluations, or permission to participate in a College activity;

4.1.2. The conduct has the purpose or effect of unreasonably interfering with an individual's academic or work performance or creating an intimidating, hostile, or offensive working environment;

4.1.3. Any person in a supervisory position who uses or condones any form of sexual behavior to control, influence, or affect the career, pay, or job of an employee is engaging in sexual harassment;

4.1.4. Determining what constitutes sexual harassment depends upon the specific facts and the context in which the conduct occurs. Sexual harassment may take many forms – subtle and indirect, or blatant and overt. It can take in any but not limited to the following forms:

4.1.5. It may be a conduct towards an individual of the opposite sex or the same sex;

4.1.6. It may occur between peers or between individuals in a hierarchical relationship;

4.1.7. It may be aimed at coercing an individual to participate in an unwanted sexual relationship or it may have the effect of causing an individual to change behavior or work performance.

4.2. Reprisal. In general, taking or threatening to take unfavorable personnel action or withholding or threatening to withhold a favorable personnel action, or any other act of retaliation, against an employee for participating in an investigation or appeal process.

4.3. Work Environment. The workplace or any other place that is work-connected, as well as work conditions or atmosphere under which people are required to work. Examples of work environment include but not limited to, an office, an entire building, a campus, vehicles, anywhere when engaged in official business as well as institutionally sponsored social, recreational, and sporting events, regardless of location.

Section 5. Forms of Sexual Harassment

For a person's behavior to be considered as a violation to the Sexual Harassment Act, it must meet the following three criteria:

5.1. It must be unwelcomed; Unwelcomed behavior is a behavior that a person does not ask for and which a person considers undesirable or offensive. Not everyone has the same perception of "undesirable or offensive". Since the person being subjected to the behavior, the recipient, is the one being affected, it is the recipient's perception that counts. Behavior which the recipient reasonably finds unwelcomed should be stopped.

5.2. Sexual in nature, and Behavior which is sexual in nature is fairly easy to determine. Telling sexually explicit jokes, displaying sexually suggestive pictures, and talking about sex are obviously "sexual in nature". Some people would consider other behaviors, such as touching, to be sexual in some cases but not in others.

Using common sense will normally be enough to determine whether or not a certain behavior is sexual in nature.

5.3. Occurs in and gives impact on the work environment for sexual harassment to occur, it must be an unwelcomed sexual behavior that occurs in and gives impact on the work environment.

5.3.1. When recipients are offered or denied something that is work connected in return for submitting to or rejecting unwelcomed sexual behavior, they have been subjected to a type of sexual harassment known as "quid pro quo" or "this for that". Examples include getting or losing a job, a promotion or demotion, a good or bad performance evaluation, etc. If any work-related decisions are made based on the submission to or rejection of unwelcomed sexual behavior, sexual harassment has occurred.

Normally, this is from senior to a junior, because the senior person has something to offer.

5.3.2. When the unwelcomed sexual behavior of one or more persons in a workplace interferes with another person's work performance, sexual harassment has occurred.

If the behavior produces a work atmosphere which is offensive, intimidating, or abusive to another person, whether or not work performance is affected, a type of sexual harassment called "hostile environment" has occurred. The following are some examples but not limited to the behavior that could create a hostile environment:

5.3.2.1. using sexually explicit or sexually offensive language;
5.3.2.2. displaying sexually-oriented posters or calendars;
5.3.2.3. touching someone in a suggestive manner;
5.3.2.4. giving someone unwelcomed letters, cards or gifts of personal nature, particularly when these items have sexual overtones, and
5.3.2.5. unwanted or uninvited pressures for dates.

Higaonon's gift, a tale to be told,
City College, our roots run deep,
A future sustainable, in unity, we keep.

Alma Mater, City College we hail,
Towards a SMART City, we set sail,
Higaonon's land, where dreams unfold,
Together we'll build, in hearts of gold.
